# HOW-TO UTILIZE PUBLIC AFFAIRS: FOR MEMBERS OF BIO5 INSTITUTE

Please feel free to contact our team anytime to learn more about the following member support services:

## COMMUNICATIONS

We are the conduit for communication between the BIO5 Institute, affiliated UA departments/colleges/offices, the media, and the general public. Our role is to merge interviews with BIO5 scientists and background research into press releases, news articles, and web and/or social media content. We strive to deliver information related to BIO5's cutting-edge research to public outlets in a manner that can be commonly understood to enhance awareness and support.

*Contact us to help publicize your projects, discoveries, and announcements through BIO5 and/or UA. Also available on request: interview coaching, development of talking points for media coverage, and facilitation of media interviews.*

### Find BIO5 stories and press releases:

## PHOTOGRAPHY

We aim to capture our state-of-the-art 177,000 square foot space, 280+ researchers, outreach activities, events, and student involvement on camera as often as possible. From lab photos, to headshots of our researchers, to snapshots of BIO5-related program/events/conferences/tours, photos help bring our work to life.

*This service is available upon request to BIO5 Members.*

## SOCIAL MEDIA

Social media plays a significant role in our marketing/communications strategy to build brand awareness and tell the BIO5 'story'. The institutional story is largely made up of your individual and collaborative research projects and achievements, as well as highlighting our mission to inspire the next generation of scientists and positively impact our state.

*Social media consultations available upon request to BIO5 Members.*

### Engage with BIO5 on social media:

Twitter: [@BIO5 | Twitter](https://twitter.com/BIO5_Institute)

Facebook: [BIO5 Institute - Facebook](https://www.facebook.com/BIO5_Institute)

LinkedIn: [The BIO5 Institute | LinkedIn](https://www.linkedin.com/company/the-bio5-institute)

#### Contact

Lisa Romero

Senior Director, Public Affairs and Engagement

520.626.9598 | [lisaromero@bio5.org](mailto:lisaromero@bio5.org)

## MARKETING/EVENTS

We work to elevate BIO5's brand recognition through traditional marketing methods (web, print, social media), in outreach-related activities, and in hosted events, conferences, and seminars. Additionally, we coordinate 50+ BIO5 tours per year for guests ranging from student groups to local, state, and international VIPs. We also work with the BIO5 Ambassadors to engage UA students interested in the biosciences, biomedicine, and biotechnology in promoting and supporting BIO5.

*BIO5 member participation in all BIO5 events/activities is highly encouraged and documented to fulfill grant/TRIF requirements (including tours, speaking engagements, and outreach involvement).*
